The International Congress *Best practices in transgender health, social policies and human rights: a comparison between Europe and Latin America* is part of a protocol of understanding between CENESEX (Cuban National Center for Sex Education) and the University of Naples Federico II, is organized by the SInAPSi Athenaeum Center, the School of Medicine of University Hospital Federico II, the Department of Neuroscience and Reproductive and Odontostomatological Sciences of the University of Naples Federico II, the Foundation Gender Identity Culture and the O.N.I.G. (Osservatorio Nazionale sull'Identità di Genere). It aims at exploring, through an interdisciplinary perspective, the best practices in seven different countries - Chile, Cuba, France, Italy, Norway, Portugal and Mexico - allowing a comparison and discussion between leading scholars in matter of *gender*

studies.

CALL FOR POSTERS

Researchers and operators working in health and social fields with *transgender and gender nonconforming* population are invited to submit an abstract about their work and / or experience.

Abstracts must be submitted by 31 October 2019.

Accepted abstracts will be communicated by 6 November 2019.

The guidelines for abstract submission are available at the following link:

http://www.sinapsi.unina.it/14e15nov_call_for_poster.

The four best poster will be published in the Congress Proceedings and, moreover, will be presented on the second day, receiving a certificate of recognition for their work.

Congress participation is free of charge.

Simultaneous translation will be provided on 14 November.

All participants must register for the congress via e-mail to:
convegno14e15nov@gmail.com

All the information about the Congress are available on SInAPSi Center website at the following link:
